Jennifer,

Memphis Mayor Jim Strickland and I will be your guests next Tuesday. (Neither one of us plan to wear Halloween masks. We look frightening enough as is.)

Here are some possible areas to pursue:

To Mayor Strickland: I know you are pleased that we're finally looking at a net increase in police officers. How did we ever get in this shape and what have you done to turn the tide ?

To Bill: What are some other things we've been to accomplish this year ?

To Mayor Strickland: Looking ahead over the next year, what are some additional steps you anticipate ?

To Bill: Do you want to add anything to that ?

It would be great if you could add a little bit to the normal 7-8 minutes !
